

Workshop on Gender Sensitization

A workshop on Gender Sensitization was held at [CCL Hqrs.](#), Ranchi, under the aegis of Forum of Women in Public Sector, CCL Branch. In the programme four female employees working in non-conventional job in different areas were felicitated and also certificate to 22 female employees who were imparted training in computer were distributed. The program had some of our eminent officers, Directors, CVO and the Chief Guest of the programme was [Sri Gopal Singh, CMD, CCL](#). Around 300 employees attended the workshop from all the areas and the headquarter, including a good number of male employees.

On this very day the first News Letter of [CCL](#), “[SHAKTI](#)” was published as a medium to carry forward our efforts through forum of “[Women In Public Sector](#)”. The main aim is to promote the women interests in their respective fields and taking care of their welfare, healthcare, safety , security and equal opportunities at workplace
