

# **CENTRAL COALFIELDS LIMITED**

**CCL** the jewel of Jharkhand is a Miniratna Company and is the 1<sup>st</sup> Miniratna Central Public Sector Undertaking of Jharkhand State.

Central Coalfields Limited, has always focused on holistic development which includes both production and welfare. It has adopted a multi-disciplinary approach for welfare, incorporating health, family welfare, education, drinking water and sanitation. The slogan which our company adopts in this regard is “*गरीबों, ग्रामीणों और श्रमिकों का सर्वांगिन विकास*”- The welfare department of CCL performs its roles & responsibilities in congruence with the objectives of our company.

## **Our Mission**

*The Mission of Central Coalfields Limited (CCL) is to produce and market the planned quantity of Coal and Coal products efficiently and economically in Eco-Friendly manner, with due regard to Safety, Conservation and Quality.*

## Welfare Department:

Welfare as a term which is understood to include such services, facilities and amenities as may be established in or in the vicinity of Command Areas of the company, to enable the employees to perform their work in healthy, congenial surroundings and to provide them with amenities conducive to good health and high morale.

## Objectives:

- To provide better life and health.
- To make the employees happy and satisfied.
- To improve intellectual, cultural and material conditions of living of the people.

### Infrastructural Facilities:

*CCL under the aegis of Coal India, the world leader in coal production, has been in constant pursuit of improving the standard of living of its employees by implementation of various quality measures in the arena of employee welfare housing.*

**Housing:** There has been significant improvement in repair/maintenance/upkeep of quarters and sanitation jobs in the colonies.

CCL has been constantly striving to provide a decent living to its employees . Under “*Thorough Repair Scheme alias Kayakalp*”, substantial number of quarters have been repaired, details of which are placed below as on 31/03/2021.

Quarters identified for repair	33776
No. of quarter repaired	25681
% of achievement	76.03%

**Water Supply:** To augment supply of drinking water as well as to adhere to the quality standards as per IS 10500 , Mecon has been entrusted with the task of setting up new WTP & renovation of existing WTP with a broader vision to provide potable water to all the beneficiaries . Mecon has assured the timeline of 21 months (4 months for tendering and awarding & 17 months for execution from December 2020). So the work is expected to be completed by August 2022.

**At Present there are following sources of water available with CCL-**

1	Water Treatment Plant	10 nos.
2	Deep Bore Holes	182 nos.
3	Pressure filter plants	78 nos.
