SPORTS

CCL is giving considerable importance for development of sports and cultural activities for its employees and their family members for uplift ment of their social and physical health. Company is paying special attention to develop sports/games & cultural activities amongst the employees and their wards. Adequate numbers of infrastructural facilities have been provided for all the events. Besides organizing various sports/games & cultural activities, as per the guidelines of CIL Sports Promotion Board, coaching camps are also being organized for skill development of the players.

Sports and games have to be an essential part of an individual's life. All round development of an individual's personality is incomplete without sports.

Central Coalfields Limited (one of the fastest growing subsidiaries of Coal India Limited) organized the prestigious.
