"It is my strong belief that if students cannot reach out to education, education must reach to them. CCL has been continuously promoting education at different levels through its varied CSR Initiatives. CCL-Ke-Lal & CCL-KI-Laadli is one such initiative that is close to my heart. It aims at helping students belonging to poor and marginalized sections of the society aspiring to become world-class engineers in future, but are unable to do so due to social and economical constraints. We prepare them to appear in National / State Level Engineering Entrance Examinations for getting into prestigious colleges like IITs, NITs, etc. With Video Conferencing (VC) Centres in 3 areas of CCL and 4 of BCCL, the classroom teaching has now reached the remotest locations of Jharkhand. Applications for the Batch 2018-20 are invited and I look forward to an overwhelming response. I wish the present and future students of the scheme great success in their endeavours."

Central Coalfields Limited (CCL) under its CSR Initiatives has been providing free education along with boarding and lodging facility to meritorious male students every year since 2012-13 under the scheme "CCL Ke LAL", and to meritorious female students since the year 2016-17 under the scheme "CCL Ki LAADLI", for grooming them for competitive entrance examination of engineering for getting into IIT, NITs, etc. These programmes are running successfully. The scheme has recorded 100% results in the past batches.

## (A) Details of Study Centres

### (a) Ranchi Centre :

**Group I (Fully Sponsored by CCL): 11 Male and 11 Female students** will be selected from ward of Land Oustees / villagers residing within 25 kms. of the CCL command area / CCL Wage Board Employees who will be provided free of cost boarding, lodging, schooling and coaching facility at Ranchi Centre. # Facilities

To,  
The CMD  
CCL, Ranchi.

Dear Sir,

I am Amar Kumar Agrawal. I was a student of CCL Ke Lal. I am pursuing my B.Tech degree in IIT Bhubaneswar with C.S.E branch, it is all because of CCL Ke Lal scholarship.

I belong to a lower middle class family and my family income is below one lakh INR. Lives in a small village of a Bokra. I studied in a government school till tenth and got overall 11th rank in district in the 10th Board exam. But after school it seems to be difficult because we were not able to pay the fees of schooling and coaching for IIT.

Then one of my teacher suggested to apply for scholarship named CCL Ke Lal. I was admitted in DAV Gandhinagar one of the best school in Ranchi, and started my preparation under the guidance of the engineers of CCL. Who themselves were from IITs. They worked hard with us and the result is that many of us are in prestigious colleges of India.

CCL is doing a great job in the field of education under the guidance of our beloved CRDCC Sir.

I am thankful to you, CCL and our teachers for this scheme and for making my dream come true.

Your faithfully  
Amar Kumar Agrawal
