MESSAGE

I am glad to know that the Central Vigilance Commission is observing Vigilance Awareness week from 25th October to 1st November 2010.

This initiative to observe Vigilance Awareness week is aimed at sensitizing the people about the adverse consequences of corruption in public life. The Central Vigilance Commission has taken number of steps in order to curb the menace of corruption and to ensure integrity in public administration.

I wish the Vigilance Awareness week all success.
