### MESSAGE

I am happy to learn that 'Vigilance Awareness Week' is being observed by the Central Vigilance Commission (CVC) from October 27 to November 1, 2014, with 'Combating Corruption – Technology as an enabler' as the theme for this year.

Eradication of corruption from our society is not only a legal obligation but also a moral duty of every Indian. Towards attainment of this goal, observance of 'Vigilance Awareness Week' plays an important role in promoting integrity through greater efficiency, transparency and accountability in government.

On this important occasion, let us take a firm pledge to build a corruption free India.
