

## Message

It gives me immense pleasure to learn that CCL has come up with a new version of its website *www.ccl.gov.in*. This launch is an initiative of CCL to align itself with the principles of Digital India. The effort all our employees have put into the successful launch of the website is commendable.

I sincerely hope our new website highlights the various initiatives taken by CCL for the benefit of various stakeholders and promotes transparency. The website should be a one stop solution for annual reports of the company, relevant manuals, circulars and guidelines.

I take this opportunity to congratulate Systems Dept of CCL and everyone who has contributed to the creation of the website for their sincere and hard work. I welcome honest and frank feedback on the quality and contents of the website so that we can improve.
