MESSAGE

I am glad to know that the Central Vigilance Commission is observing Vigilance Awareness Week on the theme “Combating Corruption – Technology as an enabler” from 27th October to 1st November 2014.

Corruption is a complex problem that needs multi-faceted action. One of them is the use of technology that can help promote, openness and transparency. Use of modern technologies can play an important role in eliminating human interface in service delivery systems. It is the collective responsibility of citizens as well as government departments to adopt technology initiatives in combating corruption to maximize benefits.

I extend my greetings to everyone and wish a very successful Vigilance Awareness Week 2014. Let us all strive to create a society free of corruption.
