

NOTICE

Extension of empanelment period of the Third Party Sampling Agencies, viz., M/S COTECNA Inspection India Private Limited and SGS India Private Limited

Notification for letter of empanelment have been issued by CIL on 15.03.2021 to M/S COTECNA Inspection India Private Limited and SGS India Private Limited for undertaking the job of sampling and analysis of coal samples at loading end in CIL subsidiaries initially for a period of one year, which expired on 14.03.2022.

The Clause S.4.2. of the Tripartite Agreement is appended below.

“ The maximum tenure of empanelment shall be 03 years. Towards this, initial contract shall be for a period of 01 (one) year and on successful completion of the same, it may be extended for a period of 02(two) years on mutually agreed terms by the parties.”

Many consumers have signed agreement with M/S COTECNA Inspection India Private Limited & M/S SGS India Private Limited for third party sampling & analysis at CIL Subsidiaries during 2021-22 and the job is being continued.

The competent Authority has approved the extension of empanelment of these Third Party Agencies viz., M/S COTECNA Inspection India Private Limited & M/S SGS India Private Limited for a period of 02(two) years from 15.03.2022, i.e. upto 14.03.2024 on the same terms & conditions.

All concerned are hereby informed that the Tripartite Agreement(s) may be executed/extended upto 14.03.2024, as the case may be, for the period on consensus amongst all the three parties (CIL Subsidiary, Consumer and the Third party Sampling Agency).
