NOTICE

Sub: Revision of ACQ as per Normative Coal Requirement calculated by Final verification agency i.e. CIMFR in respect of the FSAs executed between CCL and NRS Linkage Auction Tranche-V FSA consumers of 'Others' sub-sector

This is for kind information of concerned NRS (Non-regulated Sector) consumers who have executed FSAs with CCL under Linkage Auction Tranche-V for 'Others' sub-sector that the ACQ (Annual Contracted Quantity) under FSAs are to be revised/ adjusted in line with Linkage Auction policy as per the Normative Coal requirement calculated by the Final Verification agency i.e. CIMFR (the agency nominated by CIL for the purpose as communicated by CIL vide letter dtd. 08.05.2017).

As per the Linkage Auction policy, the details regarding the EUP (End Use Plant) of Prov. Successful bidders under NRS Linkage Auction Tranche-V for 'Others' sub-sectors, were forwarded to CIMFR for computing and verifying the Normative coal requirement and RFP calculation for the specified EUP of the bidders of CCL in accordance with the Scheme Document. In response to the same, the Verification Report indicating the Normative Requirement of coal of the EUP has been provided by CIMFR to CCL on 22-08-22.

Hence, in line with the clause 3.5.2(k) of the Scheme Document of 'Others' sub-sectors, the Annual Contracted Quantity needs to be revised/adjusted as per the Verification Report provided by CIMFR. It may be noted that the aforesaid modification/revision in ACQ is to be made effective from date of signing of respective FSAs with all other terms and conditions/clauses of agreement of respective FSAs remaining unaltered.

In this regard, please find below the detail of consumers of Tranche-V 'Others' sub-sector where ACQ is to be revised as per Normative requirement of coal communicated by CIMFR:
