**NOTICE FOR NON – POWER (RAIL MODE) CONSUMERS OF CCL FOR MINING PERMIT IN JIMMS**

CCL has been requesting Railways for supply of rakes on account of Non Power Consumers so that arrears can be liquidated.

CCL has also been notifying to all consumers for providing details pertaining to mining permit application in JIMMS . Despite several notices, it is seen that some of CCL sidings are not able to apply fo mining permit because consumers have not provided details like Form B etc required for permit application in JIMMS.

All Non Power (Rail Mode) consumers are again requested to provide details for mining permit application to siding/ area. It is repeated that CCL shall not be able to load rakes in case mining permit for given consumer is not available and CCL shall not be responsible for any forfeiture of indent and consequential loss in loading and forfeiture of EMD/Deemed delivery.
