NOTICE FOR “ANNEXURE – D” IN FOIS FOR RAIL MODE CONSUMERS

Mining permit is obtained by sidings/ areas based upon details of unloading destination etc as provided by consumers. In case of any change in Rail Program through Annexure – D in FOIS, mining permit needs to be accordingly changed.

In view of above, all consumers are notified to be careful while filing of Rail Program and selecting unloading destination so that any subsequent changes through Annexure – D can be avoided.

In worst case scenario where consumer has to exercise option of Annexure – D , details of proposed change like change in destination etc. may be first given to siding/area for initiating required change in mining permit through JIMMS. Further, such information of any proposed change may please be given well in advance of supply of rake so that application can be filed in JIMMS for approval by respective DMOs. CCL shall be recovering any deduction of royalty and cess in the process of applying fresh mining permit application in such cases from consumers.

It is repeated for kind information to all consumers that CCL shall not be able to load rakes for which mining permit for given destination is not approved by respective DMOs. In case supply of such rakes are made by Railways, such indents are liable to be forfeited and CCL shall not be responsible for any consequential loss of EMD/ Deemed Delivery or any other loss to consumer.
