Notice for Payment of Coal Value through Banking Interface against Proforma Invoice for consumers under Rail Mode

All consumers taking coal under Rail Mode are again notified to arrange deposition of coal value through Banking Interface. Following points may please be noted in this reference.

- 1) Proforma Invoice for any month's MSQ (Monthly Scheduled Quantity) shall be generated considering average billed grade for the month before preceding month for the give contract and shall be sent over registered E Mail id of consumers.
- 2) Consumers shall be expected to pay advance coal value as per Proforma Invoice through Banking Interface. It may please be noted that 4000 tes shall be reckoned as one rake quantity. In case of deposition of value less than Proforma Invoice, MSQ shall be revised proportionately and accordingly rakes shall be endorsed in multiples of 4000 tes. Thus consumers are requested to ensure deposition of full Proforma Invoice Value.
- 3) Unutilised coal value for any month shall be adjusted with subsequent supplies after closure of Rail Mode Sale Orders for given month.
