NOTICE FOR NO LOADING OF RAKES IN CASES WHERE MINING PERMIT IS NOT AVAILABLE

This is in reference to earlier notices informing that CCL shall not be able to load rakes for consignees not having valid mining permit approvals. In continuation to the same, all consumers taking coal from CCL under Rail Mode (Power as well as Non Power) are again notified to ensure that required documents for filing of mining permit application is made available directly at Siding/ Area well in advance of supply of rakes so that application is filed in JIMMS. Consumers are also requested to maintain follow up with respective District Mining Officers, if required, so that availability of valid mining permit can be ensured by consumers before supply of rakes by Railways.

It may again be noted that CCL shall not be able to load rakes for consignees for whom valid mining permit approvals is not available at the time of supply of empty rakes by Railways. CCL shall not be responsible for any consequential loss of loading/ Forfeiture of indents as per Railway rules/ Forfeiture of EMD and/or any other consequential impact as per terms of FSA or Scheme document.

General Manager (M&S)
CCL, Ranchi
