NOTICE FOR NON POWER (RAIL MODE) CONSUMERS

REGARDING MINING PERMIT APPROVAL

All Non Power Consumers (FSA as well as E Auction) taking coal under Rail Mode are again notified that in case mining permit approval is not received for any given destination/ consumer, due to non submission of documents by consumer or non approval by DMOs, CCL shall not be able to load such rake. CCL shall not be responsible for any loss of loading and consequential EMD Forfeiture/ Deemed Delivery for such cases.

In view of above, consumers are again requested to submit FORM-B and other details directly to siding/ area for filing of mining permit applications. Although applications are being raised by CCL, consumers are also requested to follow up with respective DMOs for approval of respective applications so that approvals are received before supply of rake.
