Notice for non power consumers (E Auction/FSA) taking coal under Rail Mode

It is seen that CCL is not able to apply for mining permit in JIMMS due to non-submission of required documents like FORM-B , FORM-H etc. by consumers. It is again notified that CCL shall not be able to load the rake in case mining permit quantity is not available in JIMMS at the time of supply of rake by Railways. CCL shall not be responsible for non loading/forfeiture of indent and any other consequential losses arising in case of non application of mining permit/non approval of such applications by DMO.

In view of above, consumers having arrear allotments are again requested to provide required documents for filing of mining permit application directly to Siding Manager/Area Sales Manager with sufficient time gap so that application are made in JIMMS by CCL.

General Manager (M&S)
CCL
