### सूचना / NOTICE

**विषय: Regarding delivery/supply of coal through Road/RCR to Power companies w.e.f. 1<sup>st</sup> April, 2024.**

This is in reference to our earlier letter CCL/HQ/C-4/2023-24/560 dtd 26.03.2024 regarding the above mentioned subject. Further, as directed by CIL vide letter no CIL/M&S/Wagon loading/208 dated 12.04.2024, all Power sector consumers are hereby informed that format with respect to submitting written request for coal supplies through Road/RCR mode has been simplified for ease of understanding and copy of the same is being enclosed herewith.

Other terms and conditions remain unchanged.

This is for kind information and further needful by all concerned.

ECL/CCL/NCL/WCL

**Sub: Opting to lift coal through Road/RCR Mode for the FY 2024-25:**

It is understood that (ECL/CCL/NCL/WCL) is desirous to cater entire Power sector coal supply under Fuel Supply Agreement through Rail Mode for FY 2024-25. The same has been published by ECL/CCL/NCL/WCL notice no.... dated....

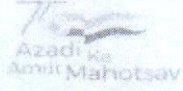

We request (ECL/CCL/NCL WCL) to supply balance coal based on monthly shortfall through Road/RCR mode against our FSA Nos \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ due to the following reason(s):

- *Lower materialization of Rail Mode quantity  
or/and*
- *To maintain/build up coal stock at generating station end  
or/and*
- *Cost Efficiency (landed Rs/GCV Cost)  
or/and*
- *Other Operational Issues including issues at the unloading end (unloading constraints of wagons)*

The above request will be valid for the FY 2024-25 until otherwise requested.

Ref No: CIL/M&S/Wagon Loading/ 208

Date: 12.04.2024

General Manager(M&S)  
ECL, CCL, NCL, WCL

**Subject: Discontinuation of Road/RCR dispatch for Power Companies  
w.e.f. 1st April 2024**

Dear Sir,

This is in reference to the earlier letters issued vide reference no: CIL/M&S/Wagon Loading/109 dated 16.02.2024 & CIL/M&S/Wagon Loading/145 dated 08.03.2024 regarding the above-mentioned subject.

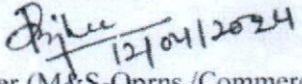

As stated in the letter with effect from 01.04.2024, the delivery/supply of coal from ECL, CCL, NCL and WCL would be discontinued for supplies made under FSAs to Power Sector for FY 2024-25 through road mode including RCR unless the Power sector consumers specifically request for coal supplies through Road/ RCR mode. Further, in cases where in the FSAs/LoAs and/or in bid document, the mode of transport is specifically mentioned as "Road/RCR" Mode only, supplies may be made as per the FSA/LoA and/or bid document provisions. However, for delivery/supply of coal through Road/RCR mode, the consumer is required to submit their written request to the coal companies.

In this regard, based on the request received from the consumers, a standard format which was shared earlier dated 08.03.2024 with coal companies for 'opting to lift coal through road/RCR mode in FY 2024-25' has been simplified for ease of understanding and copy of the same is enclosed herewith for necessary action at your end.

Coal companies are requested to circulate the same so that the willing Power Companies can submit their request in the enclosed simplified format for opting Road/RCR mode of dispatch.

Encl: As Stated above

Yours faithfully,

  
 General Manager (M&S-Opns./Commercial)
